

UniVote

- ☒ anywhere
- ☒ anytime
- ☒ anyone

Every vote counts!

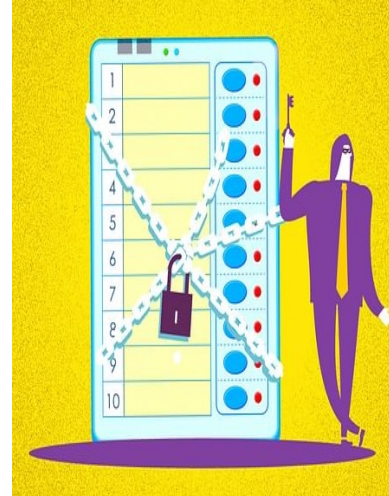

Problem:

Voters being at a location far away from their constituency on the election day

Problem for physically disabled voters to go to voting camp and stand in long queue

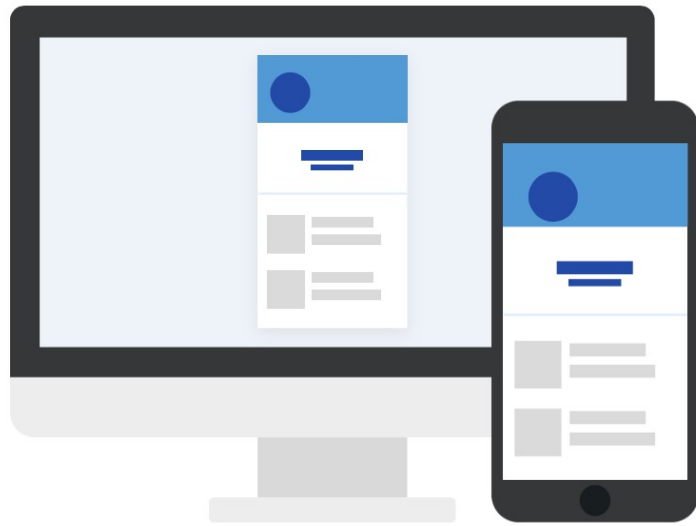

EVMs are always prone to manipulation and malicious attacks

Lazy and casual voters don't find it worthy to go to voting camps and vote

Solution:

**Convenient web and mobile
voting app**

**Secure blockchain
transaction**

UniVote App:

सत्यमेव जयते
Welcome to Aadhaar-Voting

Login

New Voter?

Step1: Voters login
using voter id and
security pin

Choose wisely.
